Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted applicant's attorney to inform him that upon further review it had been decided that the WO 99/18328 could be used to reject claim 21 with element "20" defining over the "plurality of relief grooves". The examiner suggested that the following be added to the end of line 5 of claim 21 in order to place the claim in condition for allowance; --and at least one profile cut formed in an outer surface of the body--. Applicant's attorney agreed to this change. An examiner's amendment along with a Supplemental Notice of Allowance to follow..
